Reminder regarding payments:

Monthly Fees – are due for payment in full on the first of each month, for the forthcoming month. Failure to do so may result in suspension from training (please see the squad constitution points 4.3 & 4.4, as previously emailed and available on our website).

Open meets* - ALL ENTRIES MUST BE ACCOMPANIED BY THE FULL ENTRY PAYMENT OR THEY WILL NOT BE ACCEPTED - this can be by either cash, cheque or BACS; if you pay by BACS, you must attach a printed receipt of the BACS payment to your entry form. To facilitate the meet entry process there will be an opportunity to submit forms and payment in person at a training session approximately 1 week prior to our entry deadline. In the north of the district this will be managed by Anita Goodyer & Carol Thomas; Sam Ferguson will manage payments in the south. A strict policy of NO PAYMENT - NO ENTRY will now be followed.

Swim camps - all deposits and instalments must be paid within agreed timescales and by any specified deadline date - again we are happy to arrange and publish dates and times when volunteers will be available to accept cash and cheque payments. We do endeavour to communicate payment deadlines in a timely manner so non-payment of instalments will result in an assumption of withdrawal from the camp. Deposits are non-returnable as camp costs are calculated on numbers attending and we always endeavour to operate on a zero profit basis.

Open meet and camp payments received in person as outlined above will be recorded, so your payments will be acknowledged.

*Please note that open meet entries must still be discussed with your coaches; the facility outlined here is for payment purposes only.
